

OUR TOP TIPS FOR BEING SAFE AND REMAINING SAFE:

- *Use bubble time to talk to your teacher about anything which is going on in your life - good or bad!*
- *Don't join in with others who are being naughty.*
- *Take time to think about your actions and possible consequences.*
- *Think carefully about what you are saying and how you are talking to other children*
- *Respect other children's space, personalities and differences.*
- *If you feel someone else in school is feeling sad, help them.*

**IT'S OKAY
TO NOT BE
OKAY!**

Scarcliffe Primary School

Our Safety

Our School Vision

*We nurture a caring
community
where everyone strives to be
their very best – now and in
the future.*

Keeping you safe

It is everyone's job to keep you safe in school. Mr Horton and Mrs Brocklesby have had extra training about this though so they are great people to talk to. They are the safeguarding leads.

Some 'hot spots' to be aware of....

...in school:

- * Boys' toilets - this will change with the planned refurbishment.
- * Right by the front door into school - this is out of bounds, tell an adult if others are using it.

...around Scarcliffe village:

There are lots of places to enjoy around Scarcliffe with your family, but sometimes there can be places that might make you feel unsafe, especially if you're on your own, like:

- * Scarcliffe park - sometimes a place where older children will meet up.
- * Scarcliffe woods - sometimes a place where older children will meet up, especially in the evenings and weekends.
- * Park in Bolsover - often a teenager hangout.
- * Scarcliffe village - be careful when walking through the village as the road is windy and it can be difficult to see traffic coming.

Our On-line Safety Top Tips

- ◆ Don't talk to strangers through games, chat rooms, instant messaging sites, etc.
- ◆ Remember you don't really know who you are talking to, they could have lied about their age and many other things to make friends with you.
- ◆ If you hear or see anything inappropriate go and tell an adult as soon as possible and report it to CEOP.
- ◆ Don't give away personal details, such as your full name, address, school, bank details.
- ◆ Don't fall for any scams - you don't get something for nothing!
- ◆ Don't open emails, texts or answer calls from people you don't know.
- ◆ Block people who you don't know and anyone who behaves badly.
- ◆ Don't share photos of yourself in school uniform or inappropriate clothing.
- ◆ Don't share photos of others without their permission.
- ◆ Be careful what comments you write; people (like universities and employers) may judge you on them in the future.

What if I have a problem with someone in school?

If I have a problem with a child:

- ⇒ Try staying away
- ⇒ Walk away from them and join another group
- ⇒ Tell / get an adult
- ⇒ Discuss the issue calmly and be clear and sure about what has happened.

If I have a problem with an adult:

Depending on who it is, you could go to...

- ⇒ Your class teacher
- ⇒ Headteachers
- ⇒ Chair of Governors: Mr Mellard-Sibley (Oscar and Jasper's dad)

What we'll do to help:

Staff will take the time to listen to you. They will decide whether you are safe. If they think you need help, they will speak to Mr Horton or Mrs Brocklesby. They will come up with a plan to help you. This might involve talking to your adults at home or people who are experts at helping children who are in need of support.
